IPP Greifswald – IPPLM Warsaw Meeting on X-Ray Diagnostics for W7-X
Greifswald, Germany 2008-03-17 2008-03-18

IPP: R. Wolf, R. Koning, A. Weller, H. Thomsen, U. Neuner

IPPLM: S. Jabłoński, L. Ryć, J. Wołowski, M. Kubkowska, J. Kaczmarczyk

The main subject of the meeting was exchange of information on the present status of the projects and to discuss the future cooperation between IPPLM and IPP in the field of spectrometry of soft X-ray emission from the W7-X Stellarator using two methods: pulse height analysis (PHA) and multi-foil spectrometry (MFS)

Meeting on X-ray diagnostics for W7-X
Warsaw, Poland, 2008-09-23 2008-09-24

IPP: A. Weller

IPPLM: J. Wołowski, W. Figacz, S. Jabłoński, J. Kaczmarczyk, M. Kubkowska, L. Ryć,
Presentation the geometry of MFS and PHA diagnostics on W7X proposed by IPPLM. Results of the simulation spectra for both method using modified RayX code. Presentation of the spectrometer for PHA system

Workshop on EFDA Diagnostic Programme 2008-2009

Garching, Germany, 2008-03-05 2008-03-06

IPPLM: K. Drozdowicz, U. Woźnicka

Meeting of SEWG on fuel removal
Culham, UK, 2008-07-22 2008-07-23

Representatives of EURATOM associations involved in the task.

Presentation of obtained results and discussion about the future plans,

Workgroup seminar at FZJ Juelich

Juelich, Germany, 2008-12-09 2008-12-09

Representatives of FZJ and P. Gasior (IPPLM)

Presentation of obtained results and discussion about the future plans,

EU PWI meeting

Frascati, Italy, 2008-10-27 2008-10-30

Representatives of EURATOM associations involved in the taskforce

Presentation of obtained results and discussion about the future plans

Kick-off Meeting of the JET Task: Fusion Technology JW-FT-2.31

Warsaw, Poland, 2008-01-28 2008-01-28

Representatives of EURATOM associations involved in the task

Presentation of obtained results and discussion about the future plans

Task Force Fusion Technology General Meeting

Culham, UK, 2008-04-23 2008-04-24

Representatives of EURATOM associations involved in the task

Presentation of obtained results and discussion about the future plans

1st Semiannual Monitoring Meeting on Fusion Technology Tasks

Culham, UK, 2008-06-12 2008-06-13

Representatives of EURATOM associations involved in the task

Presentation of obtained results and discussion about the future plans

EU PWI meeting

Frascati, Italy, 2008-10-27 2008-10-30

Representatives of EURATOM associations involved in the task

Presentation of obtained results and discussion about the future plans,

2nd Semiannual Monitoring Meeting on Fusion Technology Tasks

Culham, UK, 2008-12-03 2008-12-04

Representatives of EURATOM associations involved in the task

Presentation of obtained results and discussion about the future plans
